

# APC's Book Drive with MCC!

Maternity Care Coalition is dedicated to supporting families in achieving early literacy and learning goals with their children.

We're so thankful to receive donations of books that fall under the following parameters:

**Age range:** 0-3 years old, preferred

**Focus/topics:** colors, shapes, feelings, transportation, adapting to change, city life, family, food, alphabet

**Languages:** English, Spanish, Arabic

**Other:** diversity of characters (including race and sexuality), ideally no books on religious holidays (our clients practice a wide-range of religious holidays)
